

# Edge-Cloud as a Service

Connect, Compute, **Transform**

Bringing the  
Cloud to the Edge

Powered  
by T-Mobile and  
AWS

Exclusive  
Demonstrations

Showcasing edge-compute solutions  
and offline cloud connectivity

- 5G Network Integration
- Edge-Compute Capabilities
- Offline AWS Direct-Connect

Network Innovation

Discover how Wi-Fiber leverages 5G and  
AWS for cutting-edge solutions
